SOFTENERS

Installation Location

Place before water heater

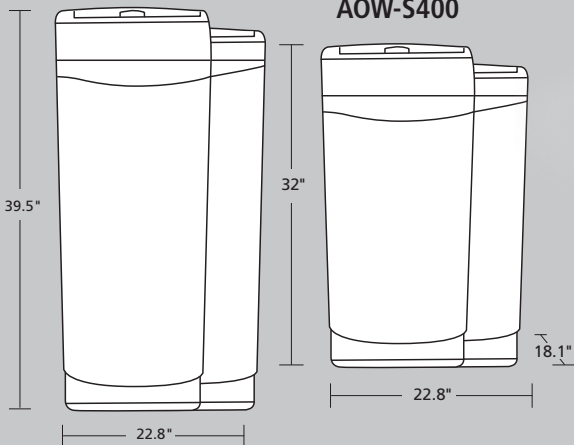

Salt Storage Capacity

200 lbs

AOW-S500

AOW-S400

How It Works:

- 1 Controller**
Touchscreen controller with salt-sensing technology adapts to your water usage for less salt, water and energy use
 - 2 Bypass Valve**
Unsoftened water flows through your pipes with a simple twist
 - 3 Self-Cleaning Pre-Filter**
Reduces dirt and sediment. Integrated KDF media reduces chlorine taste and odor
- Salt Lid (not shown)**
Slides open for simple salt refills
